THIS ENDORSEMENT IS ATTACHED TO AND MADE PART OF YOUR POLICY IN RESPONSE TO THE DISCLOSURE REQUIREMENTS OF THE TERRORISM RISK INSURANCE ACT. THIS ENDORSEMENT DOES NOT GRANT ANY COVERAGE OR CHANGE THE TERMS AND CONDITIONS OF ANY COVERAGE UNDER THE POLICY.

DISCLOSURE PURSUANT TO TERRORISM RISK INSURANCE ACT

Disclosure of Federal Participation in Payment of Terrorism Losses

The United States Government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share equals 85% of that portion of the amount of such insured losses that exceeds the applicable insurer retention. However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a Program Year (January 1 through December 31), the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

Cap On Insurer Participation In Payment Of Terrorism Losses

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

Disclosure of Premium

The portion of your annual premium that is attributable to coverage for acts of terrorism is \$ 0.00.

Commercial Umbrella Policies Only

Coverage for certified acts of terrorism under your Commercial Umbrella Policy will be excess over any underlying policy limits regardless of whether you have accepted or rejected coverage on those policies for certified acts of terrorism.

Pennsylvania National Mutual Casualty Insurance Company P. O. Box 2361 Harrisburg PA 17105-2361

NOTICE TO POLICYHOLDERS

POTENTIAL RESTRICTIONS OF TERRORISM COVERAGE (Businessowners)

This Notice has been prepared in conjunction with the implementation of changes related to coverage of terrorism under your policy.

This notice does **not** form a part of your insurance contract. The Notice is designed to alert you to revised provisions in the terrorism endorsement in this policy. If there is any conflict between this Notice and the policy (including its endorsements), the provisions of the policy (including its endorsements) apply.

Carefully read your policy, including the endorsements attached to your policy.

INFORMATION ON LIMITATIONS ON FEDERAL AND INSURER LIABILITY

Under the federal Terrorism Risk Insurance Program Reauthorization Act of 2007, the definition of "certified acts of terrorism" (which is more fully defined in the endorsement) no longer requires that the act of terrorism be committed by or on behalf of a foreign interest. Therefore, coverage for "certified acts of terrorism" now encompasses, for example, an act committed against the United States government by a United States citizen, when the act is determined by the federal government to be a "certified act of terrorism" under the terms of the federal Terrorism Risk Insurance Program. Coverage is subject to all policy exclusions (for example, nuclear hazard and war exclusions) and other policy provisions.

The government may participate in paying for some of the losses from a "certified act of terrorism". However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a Program Year (January 1 through December 31), the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion. Further, this coverage is subject to a limit on our liability pursuant to the federal law, that is, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion. In such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

Refer to the endorsement, and to the rest of the insurance contract, for provisions that govern coverage for, or that exclude coverage for, losses arising from terrorism.

CHANGE IN DEFINITION OF CERTIFIED ACTS OF TERRORISM

Under the federal Terrorism Risk Insurance Program Reauthorization Act of 2007, the definition of "certified acts of terrorism" (which is more fully defined in the endorsement) no longer requires that the act of terrorism

71 1150 1207 Page 1 of 2

be committed by or on behalf of a foreign interest. Therefore, the punitive damages exclusion related to "certified acts of terrorism" is no longer limited to an act of terrorism committed by or on behalf of a foreign interest. The exclusion applies to any terrorist act when the act is determined by the federal government to be a "certified act of terrorism" under the terms of the federal Terrorism Risk Insurance Program, including for example an act committed against the United States government by a United States citizen.

Refer to the terrorism endorsement for the definition of "certified acts of terrorism". Refer to the endorsement, and to the rest of the insurance contract, for provisions that govern coverage for, or that exclude coverage for, losses arising from terrorism.
